

10 BOOKS TO READ WHEN CHANGING CAREERS

Summary: Changing careers can be a trying time both mentally and physically, so take a break to read a few books to recharge your desire to keep pressing on.

The day has come when you decide that you need to **change your career**. It is a big decision and will **require a lot of work**, but the end result is worth it. Here are some books that will rebuild your motivation and **keep your passion going** towards this next adventure in your life.

- **Eccentric Glamour** by Simon Doonan
This book is all about attitude and confidence in the form of comical advice about struttin' your personal style.
- **Leave Your Mark** by Aliza Licht
This book is for those wanting a mentorship. All 19 chapters have lessons and tips that aren't learned from any classroom.
- **The Best Advice I Ever Got** by Katie Couric
This book has helpful lessons and stories on how to be successful.
- **Yes Please** by Amy Poehler
This book has a perfect mix of essays, advice, memoir, and poems to satisfy every reader.
- **Ask for It** by Linda Babcock and Sara Laschever
This book is great if you need a boost in your work. It will give you the confidence to make things better.
- **Bossypants** by Tina Fey
Fey, through writer Liz Lemon, tells readers that they have two options when the stress from a crazy life gets too crazy: let it get the best of you or laugh it off.
- **Lean in for Graduates** by Sheryl Sandberg
Sandberg is motivational when she speaks and writes. Her advice is for anyone moving ahead with a new career.
- **#GIRLBOSS** by Sophia Amoruso
This book offers a new way of thinking about management, attitude and all the parts in between that come with a new business, changing careers or needing a recharge.
- **Start Something That Matters** by Blake Mycoskie
The founder of TOMS tells readers what worked for his company and how starting a company that helps others provides importance with every step.
- **Mistakes I Made at Work** edited by Jessica Bacal
This book is comprised of 25 personal essays that offer refreshing advice on the self-doubt we experience through a career change.
