

DEX MEDIA OFFERS FLEXIBLE WORK ARRANGEMENTS

Summary: *Dex Media acts as a personal marketing department for companies to ensure they are optimizing the ability to “get found, get chosen, and get talked about.”*

As a full-service media company, Dex Media is prepared to help its clients grow and succeed through innovative, integrated marketing solutions. The company manages digital portfolios for its clients starting from the initial setup to ongoing support. They then form a partnership to build, maintain, and optimize the programs they have available.

Carfax Voted Best Place to Work in Washington and Virginia

Working at Dex Media comes with many benefits and perks. The Dallas headquarters have the most opportunities such as a gym membership but all employees also receive health insurance including dental and vision, 401K plan with matching, company paid life and disability insurance, health spending/flex spending accounts, generous vacation with accrual, paid holidays and days off, alternative work arrangements, tuition assistance, employee discounts with over 100 businesses, and skills and leadership training. Some of the jobs can even be done at home. The training provided is through their Dex Media University or Recent College Graduate Program.

Excellence Award Winner Owens and Minor Has a Lot to Offer
