

BANK OF AMERICA MIGHT LAY OFF UP TO 30,000 PEOPLE IN COMING YEARS

The decision of Bank Of America to cut around 30,000 jobs in coming years is shocking. It is giving hints of double dip in US. The bank should focus on various ways to reduce the operational costs and other issue areas and reduce the the layoff rate. Other companies also should focus actively to avoid such a brutal decisions. Read the original article here: [The Most Brutal Layoffs Yet: Bank Of America Could Slash Up To 30,000 Jobs](#)
