
ALPINE SCHOOL DISTRICT COULD LAYOFF TEACHERS

Alpine district which is facing a fiscal deficit of \$1.25 million is working on a formula to avoid serving layoff notices to seventeen teachers next week. District officials will ask the members of the teachers union to agree to a 5 percent cut in pay and health benefits to avoid serving the layoff notice. The proposed pay cuts would save them \$1.3 million and will help the employees to remain. Read the original article here: [Alpine school district sending layoff notices](#)
