## YOUNGSTERS MAKE A FAST BUCK ON SUMMER ODD JOBS

Nowadays young students are starting to make money during their vacation time. Most of them come to know about jobs through the ads in the social media websites. The jobs include babysitting , home-sitting , gardening, sports coaching and tuitions. Some people do easy jobs like house sitting which will provide considerable amount of money. While others do gardening which include digging a hole, planting a seed or sapling and watering it.
