

TRUGREEN TO CREATE 100 JOBS

Lawn and landscape company TruGreen says it will create 100 jobs in the Dallas-Fort Worth, Texas area. The new jobs will expand company's call center in Lewisville. Most of the new staff will be hired to fill positions as sales representatives. In addition, TruGreen plans to hire administrative and management-support positions. The customer support center opened earlier in the year with a small start-up team. A job fair will be held for interested job applicants on February 21st.
