Charity

The definition of the word charity is the relief or provision of help to the needy or less fortunate. When you run a charity to provide this help, you are doing it out of love and compassion. You rely on volunteers, support and donations to make a difference in the lives of those that are needy, and at times it can seem discouraging. Now you don't have to worry any longer - you will find that support here!

We have dozens of charities that need your donations please visit www.isupport.co.za and donate to South Africa today.
