

WIL CARDON'S JOBS RECORD, MIGRANT HIRING QUESTIONED

Wil Cardon is a well established businessman who had created opportunities for many employees. He has taken lots of efforts to build employment in US. Even though U.S. Rep. Jeff Flake took severe steps for illegal immigrations and improved the security of the nation, there are still illegal immigrants found. As per ICE report, nearly half of 315 workers working in restaurants partly owned by Cardon are illegal immigrants.
