

21ST CENTURY FAMOUS PEOPLE COMMUNICATION STYLE

Famous People of the 21st Century: A Dialogue

Kanye West: Yo Taylor, I was just thinking about how much the world has changed since we first entered the scene. I mean, nowadays, even the [acrylic number plates](#) have to be checked for legality!

Taylor Swift: I know, right? It's like we're living in a whole new world. Speaking of legality, have you ever heard of [personal contract hire](#)? It's a pretty interesting concept.

Kanye West: Yeah, it's like the world of business has completely transformed. I mean, even the [government contractors](#) are adapting to these changes. It's wild!

Taylor Swift: Absolutely. And it's not just business. Legal matters are cropping up in all aspects of life. Did you hear about the [lease agreements](#) when a landlord is selling the house? Tenants need all the legal assistance they can get!

Kanye West: Oh, and have you ever looked into getting a [private security contract](#)? It's crazy to think about all the legal formalities involved in that field!

Taylor Swift: Speaking of contracts, have you seen the [SAG-AFTRA new media contract](#)? It's amazing how much the legal landscape has evolved in the entertainment industry.

Kanye West: Absolutely. And even in real estate, legal agreements like [escrow agreements for repairs](#) are becoming more and more commonplace.

Taylor Swift: It's a whole new world, Kanye. Even in the healthcare sector, legal matters like [awards and agreements](#) are shaping the way things are done.

Kanye West: And don't even get me started on the auto industry. Have you heard about the new [California EV law for 2030](#)? It's a game-changer!
