## WAYS CHROS DELIVER BUSINESS IMPACT

It's true that both the CEO and the HR of a company should take the responsibility for talent, and trying to push the ball to each other's court will only push the organization back. As rightly pointed out, it's not a question of whether the chicken or egg comes first. The SuccessFactors white paper clears the air to a great effect and the five important ways for CHROs to deliver business impact are simply brilliant.
