## ESSENTIALS OF HUMAN RESOURCE IN 2012

HR is one of the vital departments in any type of set up and there are many people who wish to gather the latest in information. To that extent, the HR 2012 kit should definitely serve as a very useful tool as it covers important developments besides coming up with expert commentary to help make smart HR decisions. In all, a great toolkit. Read the full article here: [The Essentials of HR in 2012](#)
