## THERMA-TRU ADDS 150 INDIANA JOBS

The Therma-Tru door manufacturing plant in Butler, Indiana will add 150 jobs with \$5 million in investments. The residential steel and fiberglass door manufacturer is closing two other plants, in Oklahoma and Virginia. Maumee, Ohio-based Therma-Tru will get tax incentives as part of the deal, up to \$1 million in performance based tax credits and up to \$200,000 in training grants, from the Indiana Economic Development Corporation.
