

COLORADO ONLINE JOB ADS SURGE IN NOVEMBER, DESPITE NATIONAL DECLINE - BIZJOURNALS.COM

Help wanted advertisements online continued to climb in number, in Colorado. This is in the face of a nationwide decline of these ads. Most of that reduction was caused by economic fallout from the hurricane Sandy superstorm that hit the east coast. The figures were adjusted to reflect seasonal changes. Read the full article here: [Colorado online job ads surge in November, despite national decline - Bizjournals.com](http://bizjournals.com/colorado/2013/11/14/colorado-online-job-ads-surge-in-november-despite-national-decline/)
