Sensei Wu also told me it was okay if I sent you a new Jay and told me it would be okay if I included something extra for you because anyone that saves their Christmas money to buy the Ultrasonic Raider must be a really big Ninjago fan. So, I hope you enjoy your Jay minifigure with all his weapons. You will actually have the only Jay minifigure that combines 3 different Jays into one! I am also going to send you a bad guy for him to fight! Just remember, what Sensei Wu said: keep your minifigures protected like the Weapons of Spinjitzu! And of course, always listen to your dad.
