

MEDIA DECODER BLOG: NEWS CORP. POSTS GAIN ON STRENGTH OF CABLE CHANNELS

There was a tremendous growth of finance at the News Corporation since various networks, such as FX, Fox News and regional sports helped the firm to raise double its income in a period of three months. There was money spent due to phone-hacking scandal. The company would complete its separation into two companies. Fox Group will include the following company's cable channels, 20th Century Fox studio and Fox Broadcasting.
