

NOW CIRCULATION REQUIREMENTS TO BE ADHERED BY MAGAZINE PUBLICATIONS.

The article is about the Magazines Face New Circulation Requirements. Time to take this seriously, publishers: Beginning in July, "U.S. magazines with a circulation of more than 250,000 (must) submit per-issue data through its online Rapid Report database." And the data must be reported within a month following the month of the issue. So what happens if you don't report, The Alliance for Audited Media is threatening sanctions.
