
BANK EXPANSION CREATES 300 KENTUCKY JOBS

US Bank is building a new mortgage processing center in Owensboro, Kentucky, creating 300 new jobs. The jobs will involve mortgage processing, and professional services like call centers and administrative work. This development has been in the works for almost a year. The bank is reportedly already hiring. US Bancorp is a financial services holding company, headquartered in Minneapolis, Minnesota. It is the parent company of US Bank, the sixth-largest bank in the United States as of June 30, 2008.
