

SURVEY SHOWS MOST EMPLOYEES HATE MEETINGS

Meetings have evolved to be an indispensable activity in today's business life. Though meetings are here to stay, not everyone likes them. In fact, everybody in the business world hates meetings. For meetings to be successful and productive, management must be able to get others carry out the organization's mission. Meetings are efficient and effective if they are chaired by executives and managers. Read the full article here: [Here's why everybody hates meetings \(INFOGRAPHIC\)](#) Where can you find the most Manager jobs? [Click here](#).
