
PRIMUS TELECOM EXPANDS, ADDS 113 JOBS

Canadian telecommunications provider Primus Telecommunications Canada is expanding its Edmundston, New Brunswick call center, adding another 113 jobs to the over 200 existing employees. The provincial government will provide Primus with a forgivable loan of CA\$7,500 for each of the 113 jobs created at the center, which the company opened in 1996. Primus Telecommunications Canada provides facilities-based voice, data, e-commerce, web hosting, VoIP and broadband Internet.
