

WHAT THE LAYOFFS AT TRION MEAN FOR RIFT

Layoffs at game-maker Trion have sparked numerous concerns for the company itself, and gaming in general. It is unclear just who has been let go, how many, and what projects to which they were attached. RIFT, Storm Legion, and End of Nations are all possibilities, and that the layoffs come so soon after a recent expansion just add to the air of mystery here. What is going on at Trion?
