

CONTRACT WORKERS LOSE IBM JOBS - LABOR DEPARTMENT

Even if the national coordinator for Alliance@IBM, Lee Conrad only has to say that there were no confirmed layoffs as of Thursday morning, and IBM's corporate communications director, Dong Shelton doesn't want to comment on rumors, it appears very much that there are going to be layoffs at IBM in Vermont. That's what at least the Vermont Labor Department has to share, based on a word received by it in early May. For more details on the article [Click Here](#) Trying to find jobs at IBM?
