## **DR. PHIL'S ADVICE ON LAYOFFS: 'YOU HAVE TO BE ESSENTIAL'**

It's true that the word 'layoff' can leave a bunch of butterflies flying in your stomach. And corporate layoffs mostly come as shock surprises because they're the least expected from the staff's side. Still, as Dr. Phil rightly says, by being essential, such a situation can be handled quite effectively. While it's easy to get swept away with layoffs when you don't remain essential, you can clear the obstacles with the right tools when you make yourself essential. For more details on the article [Click Here](#)
