## JOHNS HOPKINS TO HOLD JOB FAIR

The Johns Hopkins University will hold a job fair on May 2, to fill specialized science and administrative positions. The jobs will be created with research funding from the federal stimulus package. They will include positions for laboratory techs, IT professionals, grants & contracts administrators, and financial pros. The positions would last at least 18 months and offer full benefits. The Johns Hopkins University is a private research university in Baltimore, Maryland. It has graduate programs in medicine, public health, music, and international studies.
