

EMPLOYMENT CROSSROADS: ISN'T THAT KIND OF WHERE YOU ARE?

If you're here, you either got misdirected from some site called Enjoyment Crossroad that you probably shouldn't have been looking at anyway OR you need a new job. We can help you with the second one.

Our goal is simple. We help people like you find jobs. We don't charge employers to post their jobs with us, we find them for you. We have 500 of the geekiest and most dedicated researchers in the country who do nothing else but find and post jobs on our website at EmploymentCrossing.com. And sure, since we have to charge somebody, we charge you. But somebody has to pay for our researchers. We've fixed a broken model here, and it's only about 30 bucks a month.

Get going with this [free trial](#). If you're as good as you think you are, you may even find a job before it's over. Go ahead, we dare you...Let's get to work!
