

## TOP 10 OBSCURE JOBS THAT PAY MUCH BETTER THAN MANY PEOPLE MIGHT THINK

**Summary:** *Have you ever wondered what a golf ball diver or wrinkle chaser gets paid? There are some obscure jobs out there that actually pay really well.*

You might have never given some jobs a second thought because they are so common. For instance, no one bats an eye at firefighters, police officers, nurses, teachers and other job postings that we commonly see online or in newspapers. But, there are some incredibly obscure jobs on the market today that keep the world going no matter how odd they might be to the rest of us. We have compiled a list of the top 10 most obscure jobs that pay much better than expected in this post for your enjoyment.

### **Furniture Testers**

Have you ever wondered if people actually test furniture before it is sent to stores and showrooms across the country? If so, you have come to the right place. Yes, **there are furniture testers** employed by companies. This job requires human touch because a robot cannot sit down on a chair or test a mattress and then provide feedback. Humans are needed to experience the furniture and then offer their opinion to the manufacturers. This position pays an average annual salary of \$31,000.

### **Shoe Ironing Workers**

We have all heard of shoe shine workers, but shoe ironing workers? Really!?! This is a real job with a real paycheck. These positions are responsible for ironing out the wrinkles from shoes. This job pays anywhere from \$19,000 to \$49,000 per year on average.

### **Cleaners of IMAX Screens**

IMAX movies are becoming more popular each year and **the industry is adding jobs too**. IMAX movie screens need to be cleaned, much like regular movie screens and television screens, which is why there are IMAX screen cleaners out there. It typically takes a team of two people to clean an IMAX screen, but the job pays an average of \$45,000 per year.

### **Urine Farmers**

If you are grossed out by the headline, skip this section of the article, because this is a real job. Urine farmers are becoming more widespread these days due to the success of the urine farming industry, which has cornered the deer hunting market for \$44 million.

### **Professional Cuddlers**

Have you ever wanted to stay in bed all day and still receive a paycheck for it? If so, then professional cuddling is something you need to research. This is a real job, and no it does not involve sex. Professional cuddlers can earn as much as \$60 per hour on the job.

### **Golf Ball Divers**

Yes, this is a real job! There are people out there who earn anywhere from \$50,000 to \$100,000 per year diving for golf balls.

### **Pet Food Testers**

There are people who enjoy eating dog or cat food. Pet food tasters earn \$40,000 per year testing animal food to make sure it tastes good and includes nutritional ingredients for the animals.

### **Sex Toy Testers**

If you enjoy sex, then working as a sex toy tester might be the job for you. These people get to play with sex toys for a job and earn roughly \$39,000 per year doing so.

### **Paper Towel Sniffers**

Have you ever wondered why paper towels have no smell? It is because they are designed that way and people are employed to sniff them to make sure they are odorless. These employees make anywhere from \$19,000 to \$52,000 per year sniffing paper.

### **Gross Stunt Testers**

The **film and television industry** employ gross stunt testers. These people make \$800 per day to test disgusting items such as bugs and fluids to make sure it is safe for others to consume on camera.
